## A BILL

To condition assistance to the West Bank and Gaza on steps by the Palestinian Authority to end violence and terrorism against Israeli citizens and United States Citizens.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Taylor Force Act”.

3 **SEC. 2. FINDINGS.**

4 Congress makes the following findings:

5 (1) The Palestinian Authority’s practice of pay-  
6 ing salaries to terrorists serving in Israeli prisons, as  
7 well as to the families of deceased terrorists, is an  
8 incentive to commit acts of terror.

9 (2) The United States does not provide direct  
10 budgetary support to the Palestinian Authority. The  
11 United States does pay certain debts held by the  
12 Palestinian Authority and fund programs which the  
13 Palestinian Authority would otherwise be responsible  
14 for.

15 (3) *The United States Government supports com-*  
16 *munity-based programs in the West Bank and Gaza*  
17 *that provide for basic human needs, such as food,*  
18 *water, health, shelter, protection, education and liveli-*  
19 *hoods, and that promote peace and development.*

20 (4) *Since fiscal year 2015, annual appropri-*  
21 *ations legislation has provided for the reduction of*  
22 *Economic Support Fund aid for the Palestinian Au-*  
23 *thority “by an amount the Secretary determines is*  
24 *equivalent to the amount expended by the Palestinian*  
25 *Authority as payments for acts of terrorism by indi-*  
26 *viduals who are imprisoned after being fairly tried*

1       *and convicted for acts of terrorism and by individuals*  
2       *who died committing acts of terrorism during the pre-*  
3       *vious calendar year”.*

4 **SEC. 3. SENSE OF CONGRESS.**

5       Congress—

6           (1) calls on the Palestinian Authority to stop  
7       these payments and repeal the laws authorizing  
8       them;

9           (2) calls on all donor countries providing budg-  
10       etary assistance to the Palestinian Authority to  
11       cease direct budgetary support until the Palestinian  
12       Authority stops all payments incentivizing terror;

13          (3) supports the creation of a general welfare  
14       system, available to all Palestinian citizens within  
15       the jurisdictional control of the Palestinian Author-  
16       ity;

17          (4) urges the United States Permanent Rep-  
18       resentative to the United Nations to use that posi-  
19       tion to highlight the issue of Palestinian Authority  
20       payments for acts of terrorism and to urge other  
21       member nations of the Security Council and the  
22       General Assembly to join the United States in call-  
23       ing on the Palestinian Authority to end this system  
24       immediately; and

1           (2) has terminated payments for acts of ter-  
2           rorism against Israeli citizens and United States  
3           citizens to any individual, after being fairly tried,  
4           who has been imprisoned for such acts of terrorism  
5           and to any individual who died committing such acts  
6           of terrorism, including to a family member of such  
7           individuals; ~~and~~;

8           (3) has revoked any law, decree, regulation, or  
9           document authorizing or implementing a system of  
10          compensation for imprisoned individuals that uses  
11          the sentence or period of incarceration of an indi-  
12          vidual to determine the level of compensation paid;  
13          *and*

14          (4) *is publicly condemning such acts of violence*  
15          *and is taking steps to investigate or is cooperating in*  
16          *investigations of such acts to bring the perpetrators to*  
17          *justice.*

18          (b) EXCEPTION.—The limitation on assistance under  
19          subsection (a) shall not apply to payments made to the

11 Authority is taking credible and verifiable steps to end  
12 acts of violence against Israeli citizens and United States  
13 citizens that are perpetrated by individuals under its juris-  
14 dictional control.
